

Display Programs

How a product is displayed can make all the difference in the success of the product. A well designed point-of-sale display will draw attention to the product and boost sales and your profits. Siskiyou has a wide variety of display options to assist in your merchandising needs. Our expert sales team can assist you in developing a custom display program, specific to your needs, or choose from our wide variety of existing display solutions.

For more information call your salesperson or customer service at 800-866-7475.
